

## First turn OFF the VM

 winshwtest 

A screenshot of a virtual machine control interface. At the top, the word "winshwtest" is displayed with a refresh icon on the left and an edit icon on the right. Below this, a yellow bar contains the word "OFF" in black text and a black square toggle switch. Underneath, there are three rows of information: a laptop icon followed by "x2 - 4GB - t-m-win2019\_4", a globe icon followed by "10.40.41.40", and a person icon followed by "huwilerssu" and "3 Mar - ID: 423". At the bottom, there is a row of four icons: a light blue monitor icon, a green floppy disk icon, a red trash can icon, and a grey play button icon.

To add a disk

Open your vm and click on the Storage tab

Officially supported

**RUNNING**

x2 - 4GB - t-m-win2019\_4  
10.40.41.40

huwilerssu 3 Mar - ID: 423

Control icons: Monitor, Refresh, Save, Delete, Power, Refresh

vCenter information
